* QUAL indicates that the vehicle is registered at a weight greater than 80,000 pounds in Alabama.

It is the registrant's responsibility to ensure that the information listed on the IRP cab card is correct.

The apportioned registration cab card must be carried in the vehicle to which it is issued and must be presented on demand, for inspection by law enforcement officers.

Alabama law requires that current proof of liability insurance coverage and a current and valid registration receipt be carried within the vehicle.

Possession of this document declares that the registrant has knowledge of federal motor carrier safety regulations and federal hazardous materials regulations adopted by the State of Alabama
